School Activity Sheet

Învățarea adaptată nativilor digitali [Learning Adapted to Digital Natives] (2023-2024)

Ref. no: 2023-1-RO01-KA122-SCH-000119822

(KA1 - Short-term projects for mobility of learners and staff)

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.

Activity Title: Happy Holidays!

School: Titu Maiorescu Secondary School

School subject: English

Suitable age of children: 9 years old

Activity objectives (2 or 3):

1. to develop children's knowledge about Christmas;
2. to use Plickers and Quiver as digital instruments for teaching.

Materials needed for the activity: worksheets, cards, mobile phone, laptop, coloured pencils

Activity stages (please briefly explain the process, roles of participants, guidelines, teaching tips, etc., so that other teachers can successfully implement the activity): The children watch a short film about Christmas. They answer some questions about the winter holidays using Plickers cards. After that, the pupils colour winter worksheets and see them in a 3 D version, using the Quiver application. In the end they sing Christmas carols.

Evaluation criteria:

The lesson is effective if during this activity:

- use Plickers cards correctly;
- give correct answers to the teacher's questions;
- colour and describe the winter pictures .

Activity results:

- The pupils got new information about Christmas holidays.
- They used Plickers cards and Quiver pictures correctly.
- They enjoyed the digital application very much.
